

# Declaration of Performance

**Normstahl**

No: .....

Manufacturer, ASSA ABLOY Entrance Systems AB  
Lodjursgatan 10  
SE-261 44 Landskrona  
Sweden

The performance of the product identified with serial number:

is in conformity with the set of declared performance/s. This declaration of performance is issued, in accordance with Regulation (EU) No 305/2011, under the sole responsibility of the manufacturer identified in this document.

Followed harmonized standard and their amendments:

EN 13241:2003+A2:2016

Normstahl door type ID40P is intended to be used for safe access in Industrial, Commercial, or Residential premises.

EC type examination or certificate issued by a notified or competent body (for full address, please contact ASSA ABLOY Entrance Systems AB) concerning the equipment:

RISE: 0402

System of assessment and verification of constancy of performance: System 3.

Declared performances, in acc. with harmonized technical specification of EN 13241:2003+A2:2016:

| <b>Essential characteristics:</b>                                     | <b>Performance:</b>   |
|---|-----------------------|
| Watertightness  | Class:                |
| Resistance to wind load   | Class:                |
| Thermal resistance  | W/(m <sup>2</sup> ·K) |
| Air permeability  | Class:                |
| Dangerous substances  | NPD                   |
| Safe opening (vertically moving doors)                                | Pass                  |
| Definition of geometry of glass components                            | Pass                  |
| Mechanical resistance and stability                                   | Pass                  |
| Operating forces (power operated doors with OHSD operator)            | < 400 N               |
| Durability of watertightness, thermal resistance and air permeability | 100.000 cycles        |
